CANDIDS

God, I love being here.

Wake me up at 2:30.

Just a little bit more.

Hey, do you know what we're suppose to be doing?

Wash that gray right out of my hair.

I hope this is right!?

Hey babe!

Psst. Sue isn't he cute?

Oh, no, Ryan I think they caught us!

I'll stash it here for now.

Now I got her where I want her.

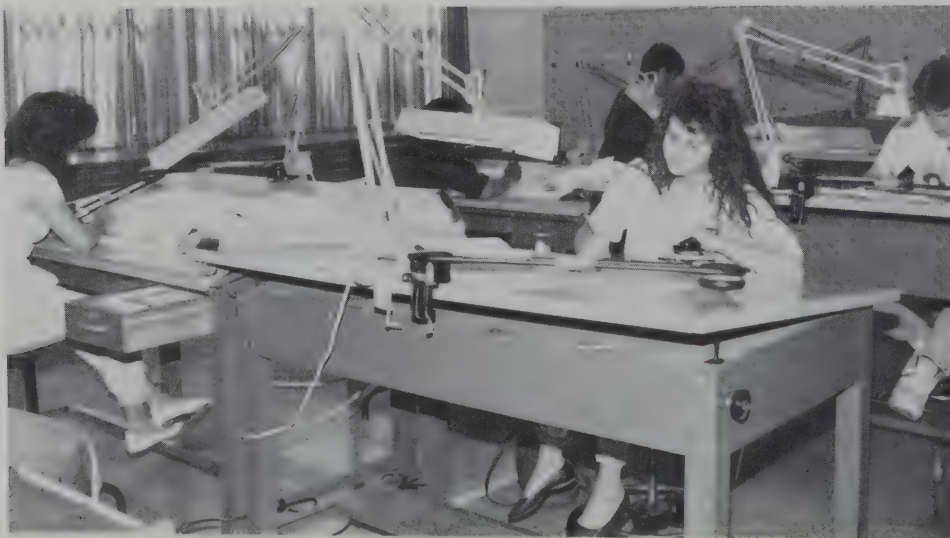

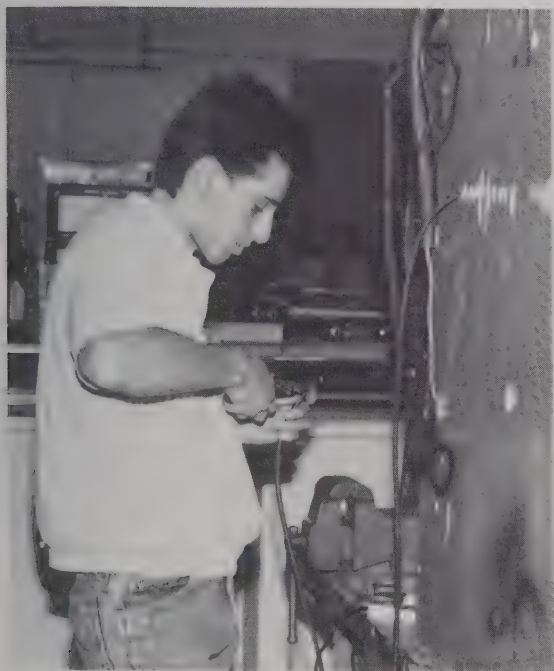

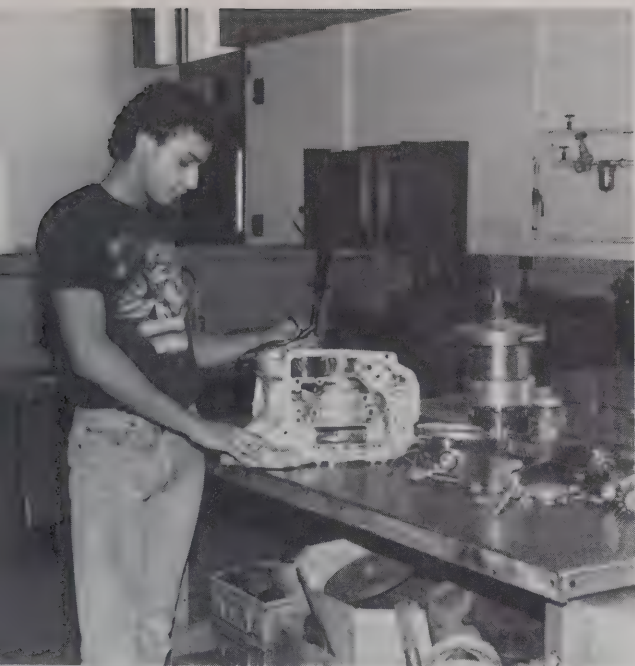

What a remarkable resemblance.

Our Time Has Come

*Our time has come and we must go
We leave our books and now we know
That we will be entering a new world with hopes and dreams
Of success not failure so it seems
We must now treasure the memories that we held so dear
Never to forget the past four years
Of friends and laughter and things we shared
Also the struggles we were made to bear
It has made us what we are today
What we will be tomorrow and we can only pray
That our lives will be filled with happiness not sorrow
For we have graduated and our time has come
To say good-bye to all we've done
We thank those who helped us through
We will prove to ourselves and to you
That we can make it in this society
Because we're the best.....*
